

## *Pelican Point Garden Club*

The Pelican Point Garden Club was established in 2006 for the purpose of gaining and sharing knowledge of gardening practices, civic beauty and the conservation of natural resources. The Garden Club is not a chartered garden club with the Louisiana Garden Club Association; however, the Garden Club does have established bylaws and a structured organization. Membership is limited to Pelican Point residents. Monthly meetings are held from September through May generally on the second Thursday of the month at 1:00 p.m. Meetings are packed with fun and valuable information gained from visiting experts or field trips. Fees are \$25.00 annually. The Garden Club supports the Pelican Point Homeowners' Association by sponsoring Yard of the Month and Christmas Door Decorations contest. The Garden Club will afford you the opportunity to meet your neighbors and get involved in community activities. Club members enjoy real camaraderie while learning much about gardening whether they are novices or expert gardeners.

The 2018-2019 Garden Club Officers are: Bernie Howard, President; Michele Orosz, Vice-President; Pam Fleming, Secretary; Peggy Slavich, Treasurer.
